

SONOR 'STAR' DRUMS

SENSATION IN SOUND

SONOR DRUMS, famous throughout Europe and America, have firmly established themselves in Great Britain. They are played by equally famous exponents of the drumming art — names like Buddy Kevin, Geoff Cooke, Paul Scharing, Kurt Ring and Savaris Karas. In Sonor you have the best, the best in design, construction and quality — a sensation in sound!

The drums are illustrated in five basic outfits, graduating to the Super Star. You can start with a simple arrangement and add what you want, as you need it. Design, construction and quality are of the highest — basic heads of calf, steel powerhoops moulded in one piece, chrome parts triple plated, all threads to cast steel for super strength and other unique Sonor features.

ALL PRICES ARE SUGGESTED RETAIL PRICES INCLUDING PURCHASE TAX.
