

**CONTINENTAL ORGAN: V301**

All solid state. Four complete octave keyboard. Two exclusive tone drawbars provide foundation tone or reed tone that may be used separately or in combination. 4 draw bars provide a pitch level range: 6', 8', 4', and IV rank mixture consisting of 2-2/3', 2', 1-3/5', 1' operated from four exclusive Vox pitch level drawbars. Flick action on/off switch and vibrator control.

**DOUBLE-KEYBOARD CONTINENTAL ORGAN: V303**

All solid state. An exciting two manual version of the World Famous Continental Organ, with 13 note walking bass. Two sets of harmonic drawbars — seven on the upper keyboard, six on the lower — plus two bass section tonal drawbars allow an unlimited variety of organ sounds and tonal color, unequaled by any other portable organ. Upper keyboard pitches: 16', 8', 4', harmonic mixtures II and III plus foundation and reed tone drawbars. Lower keyboard pitches: 8', 4', 2', harmonic mixture IV, plus foundation and reed tone drawbars. Bass section includes foundation and reed tone drawbars, an exciting 8' or 8'-16' quick-flick switch permits choice of single note bass or octave bass, and variable pedal sustain control. 13-note pedal clavier optional at extra cost. The last word in professional sound and style.
