# STRIPES ARE IN *Ludwig has them*

Make way for an explosion of color! Here come Ludwig's New Rainbow Vistalite Drums bursting forth with an avalanche of shimmering stripes, spirals, bars and swirls. Never before has the performing drummer had so versatile a "palette" with which to color his sound . . . and his look.

With Ludwig's exclusive new Rainbow Vistalite shells you can design and *CREATE* a drum outfit as distinctly *INDIVIDUAL* as you . . . using stripes, spirals, swirls, and rainbow bands for a complete *CUSTOM LOOK*. Whatever customizing you specify, Vistalite also assures the projection, tonal response and sound you want to hear. The *EXCLUSIVE* Rainbow patterns are available for snares, bass drums, tom toms . . . all Ludwig drums.
